

LS Lab Sessions

Oracle Autonomous Database ↔ Amazon S3

Binary Object Test

Purpose

This PDF is a sample binary file used to demonstrate reading and writing Amazon S3 objects from Oracle Autonomous Database using DBMS_CLOUD.

Test operations

- DBMS_CLOUD.GET_OBJECT
- DBMS_CLOUD.PUT_OBJECT
- BLOB persistence
- Binary integrity validation

Source: LS Lab Sessions test content

Encoding/content type: application/pdf

Object storage Amazon S3

Database Oracle Autonomous AI Database

Database datatype BLOB

Direction S3 → ADB → S3
